## Business Overview and Client Requirements

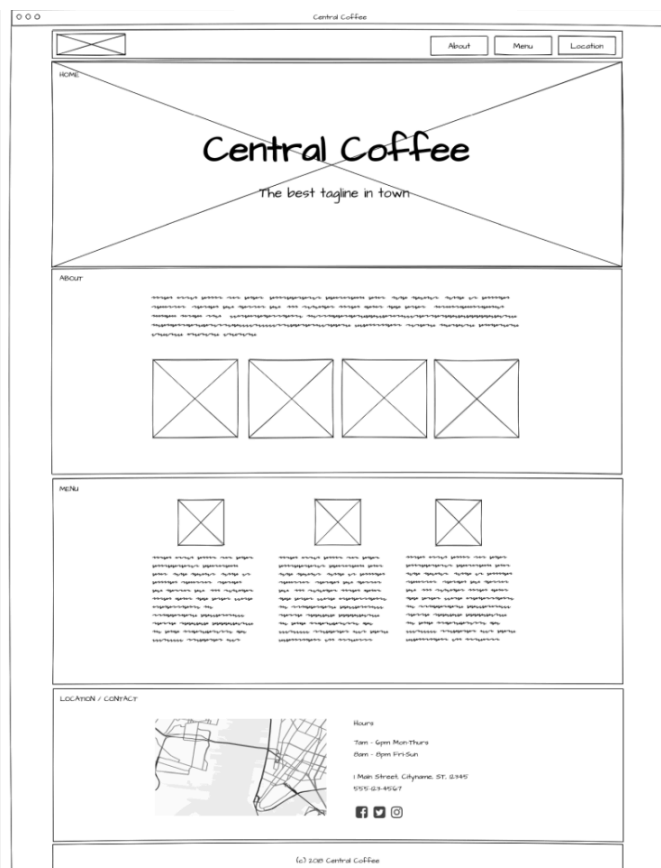

Bryan's Café requires a dynamic website with the following pages:

- **About**
- **Menu**
- **Contact**
- **Privacy Policy**

The website must be responsive, adapting to both mobile phones and laptops.

## General Layout

The website will follow the layout shown below, with general specifications for all pages:

1. The company logo, which links to the "About" page.
2. Menu items:
  - o **About**

- **Menu**
- **Contact**

The **Footer** section should contain:

- Text: "@2024 Bryan's Café", with the year being automatically replaced using JavaScript. The layout above is just a sample; the developer can adapt it, but none of the mentioned elements should be omitted.

## "About" Page

This page will also serve as the homepage and should include:

- **Banner:** A banner promoting the café.
- **About the Café:** A brief description of the café, accompanied by an illustrative image.
- **History Section:** A section that briefly tells the history of the café, also with an image. The text can be fictional to illustrate the idea.

## "Menu" Page

The menu should display the following categories of items:
